* All images chosen for print will have some additional editing done, such as removing distracting elements and skin softening.

Wedding Albums

We have 2 different styles of albums that you can choose from, starting at $450.
You can choose what cover style, page thickness, paper style, amount of images you'd like and how many pages.
The classic sizes are 8x11" and 11x14", but other sizes can be purchased upon request.
These options will be shown to you upon our initial meeting and can be ordered at any time.
Multiple copies for gifts give you a discount.

High Resolution Files

Upgrade Bronze or Silver packages to have ALL the photos from your day in colour and black & white, as high resolution files (approx. 2mb each)

$500

Slideshow DVD

All colour photographs from the day on a ready to play dvd in slideshow format, and your choice of music. Great for showing family and friends!

$200
